NO. 1.

New England Mutual Life Insurance Company, Boston, Mass.

D. Fulton Harris, General Agent, Colorado Building, Washington, D. C. January 26, 1916.

Classified Advertising Manager, Washington Herald, Washington, D. C.

Dear Sir: Having for a long time been opposed to the use of drugs in the treatment of disease, it is with great pleasure I bear testimony to the healing methods employed by Prof. H. N. D. Parker, whose treatment I have found to be more firmly convinced than ever, that it is unnecessary to convert the stomach into a chemical laboratory to get relief from suffering.

His treatment is painless and thoroughly harmonizes with nature's laws governing the growth of man, and is safe, simple, non-toxic, with renewed life and pleasure. Men living on added zest, and most obstinate cases soon exchange the frown of pain for the smile of health.

Very truly yours,

E. W. CRAWFORD,
26 Colorado Building, City.

Dear Sir: Having had a visit to the New Oriental, after the show. We had some salad and wine, and while this is no unusual menu I wish to express my satisfaction with which the food was served as well as with its quality. The salad was delicious, and the wine was very delicate and we both enjoyed ourselves immensely.

I would not hesitate to fully endorse the New Oriental as a very proper and delightful place to dine.

Yours very truly,

MRS. F. HASKE.

Dear Sir: Having received the notice of Prof. Castillo in Sunday's Herald, I paid him a call. And I found him to be a very clever gentleman, and I highly recommend him to any one in doubt about anything.

Yours respectfully,

MISS J. C. RADY,
108th street northeast, Washington, D. C.

Dear Sir: I am pleased to speak of any business firm where courtesy is shown and with your purchase feel that you have your money's worth. It is very important to eat up White's, on Seventh street, northeast and buy it. No words of mine can express how pleased I was with them; and I gladly recommend them to any one looking for something that is handsome. And what ever your choice is, they will be pleased to help you.

Yours truly,

MRS. B. MORGANSTEIN.

Dear Sir: On reading the announcement of Prof. Julius Zanic in last Sunday's Herald I paid him a call. And, much to my surprise, he told me many things of the past, present and some things I am hopeful of happening in the near future.

He is a man of great knowledge and has one needing advice and I am sure can tell them most anything they wish to know.

Yours very truly,

MRS. H. EDWIN HAYES.
